🌐 marketing-portfolio-lemon-beta.vercel.app

Data-driven Growth Marketer with 11 years of experience architecting scalable acquisition engines, automating CRM workflows, and driving enterprise pipeline. Proven expertise in combining high-level strategic planning with hands-on execution across Account-Based Marketing (ABM), paid media, technical SEO, and Revenue Operations (RevOps).

PROFESSIONAL EXPERIENCE

Mirai Labs

Senior Demand Generation Manager

B2B Enterprise Cloud & AI

Architected a multi-channel ABM pipeline targeting CTOs and Engineering VPs at \$50M+ tech enterprises.

- **Pipeline & Revenue:** Generated **\$450K in enterprise pipeline** in 6 months, contributing to a **+38% YoY revenue growth**.
- **Account-Based Marketing (ABM):** Deployed highly targeted LinkedIn Sponsored Content to a curated list of 350 executives, achieving a **1.95% CTR** (3x industry average) and a **\$42.80 Cost per Conversion**.
- **RevOps Automation:** Engineered a HubSpot + n8n lead-scoring automation system that alerted sales via Slack when target accounts crossed intent thresholds, accelerating sales cycle velocity to **46 days** and increasing SQLs by **42%**.
- **Technical SEO:** Spearheaded a content roadmap targeting low-difficulty, high-intent engineering keywords, scaling organic traffic by **+215%** (reaching **42.5K monthly visits**) and reducing blended CPA by **28%**.
- **CRO & Analytics:** Redesigned core landing pages with Clearbit data enrichment API integrations, resulting in a **42% lift** in conversion rates. Built custom Power BI dashboards for executive pipeline tracking.

Walls Property Management

Senior Growth Marketing Manager

Real Estate Portfolio (320 Units)

Transformed local property marketing through geo-fenced Paid Social, CRM automation, and data analytics.

- **Occupancy & MRR:** Achieved and sustained a **94.5% portfolio occupancy rate**, securing **\$680K in Monthly Recurring Revenue (MRR)**.

- **Omnichannel Acquisition:** Designed and executed geo-fenced Meta Carousel ads targeting high-income renters, maintaining a highly efficient blended CPA of **\$62.50**.
- **CRM Automation:** Architected a Zapier and GoHighLevel integration linking Meta and Zillow leads to an SMS auto-responder, achieving a **60-second speed-to-lead** response time.
- **Analytics (GA4):** Configured Google Analytics 4 custom conversion events for real-time tracking, scaling website traffic to **24K users (+65% growth)** with peak daily traffic of 4,800 visitors.
